Attorney's Docket No.: 00216-660001 / Case 8130

Amendments to the Claims:

This listing of claims replaces all prior versions and listings of claims in the application:

Listing of Claims:

1.-2. (Cancelled)

3. (Currently Amended) A cutting member for a shaving razor comprising
an elongated metal blade that has a cutting edge, a blade end, a tapered
portion near said blade end cutting edge and a uniform thickness portion extending from said
blade end to said tapered portion, and
[[a]] an elongated bent metal support that has an elongated platform
portion, an elongated bent portion and an elongated base portion,
said platform portion extending forward from said bent portion to a front
end,
said elongated base portion extending downward from said bent portion,
said platform portion including an attachment area that is spaced from said front end and
from said bent portion,
said platform portion including a flat portion that includes and extends
beyond said attachment area,
said uniform thickness portion of said blade being supported on said
platform portion and secured to said platform portion at said attachment area, said tapered
portion extending forward beyond said front end of said platform portion,
said elongated bent metal support being made of metal that is between
0.004" and 0.009" thick, said bent portion having a radius of curvature that is less than 0.1 mm.
